- **The Book Thief** by Markus Zusak – YA F ZUS

“

I like that every page in every book can have a gem on it. It's probably what I love most about writing—that words can be used in a way that's like a child playing in a sandpit, rearranging things, swapping them around. They're the best moments in a day of writing—when an image appears that you didn't know would be there when you started work in the morning.

*The Book Thief*, Markus Zusak

“

What's the point of having a voice if you're gonna be silent in those moments you shouldn't be?

*The Hate U Give*, Angie Thomas
